

presents a unique **SPECIAL EVENT**

'BURNT AT THE STAKE'

The story tells of Catherine Cauchés and her two daughters Perotine and Guillemine. This is a tale of three innocent women caught up in the religious conflicts of the Reformation as Protestants and Catholics vied for supremacy.

On **Monday 17th July at 6.15pm** and **Thursday 27th July at 6.15pm** we invite you to step back into the past and to follow the group through the streets as they are led to their fate.

To further reflect the times, the Company have enlisted the help of the publicans of the 'Cock and Bull' and 'The Cornerstone'. These two premises will take the role of local taverns where the audience - in whatever appropriate dress participants wish - can assemble before or after the presentation where *appropriate food and drink will be served.*

Monday 17th July at 6.15pm
& Thursday 27th July at 6.15pm
